## Centenary Host Site for U.S. Senate Debate

SHREVEPORT, LA — Centenary College will be the host site for a televised U.S. Senate Debate at Marjorie Lyons Playhouse on Tuesday, October 14, at 7 p.m. U.S. Senator Mary Landrieu, 6th District Congressman Bill Cassidy, and Rob Maness have all accepted invitations to take part in the debate. Other sponsors of the event include Louisiana Public Broadcasting (LPB), the Council for A Better Louisiana (CABL), the AARP, and the Shreveport Chamber of Commerce.

“Hosting the debate between our candidates for the Senate is a great opportunity for Centenary,” said Dr. Christopher Parker, Assistant Professor of Political Science. “These debates allow for the opposing views of the candidates to be articulated so that voters can get a better sense of the issues that face this state and a country as a whole. It provides an opportunity to better get to know the candidates and for a true exchange of ideas that we can’t get from television ads or other forms of campaign advertisements. These types of events play an important role in

informing voters as they prepare to head to the voting booth in November.”

Candidates were invited based on criteria established by CABL that require participating contenders to have polled at least five percent in a recognized nonpartisan or news media poll released prior to the debate or raised and spent at least \$250,000 in campaign contributions, established a campaign committee with a treasurer and campaign staff, and filed campaign finance reports with the Federal Election Commission prior to the debate. All three of the invited candidates have met these criteria.

Maness

The debate will air live on Tuesday, October 14, from 7-8 p.m. on LPB stations around the state. Attendance at the debate is by invitation only.

### One in Seven Americans Think They're Registered to Vote —But Aren't

You've marked it on your calendar: "Vote on Tuesday, Nov. 4."

But what if, hypothetically, you get to the polls and find out you can't vote in the General Election because you've changed your name or recently moved?

Believe it or not, this happens to more Americans than you think!

In fact, a recent study conducted by George Barna found that 14 percent of Americans—or one out of every seven adults—were unable to vote in the General Election due to a change in their voter-registration status.

With less than 5 weeks to Election Day—and an even shorter timeframe until some states close their voter-registration period—why take the chance and find out too late that you cannot vote your values?

In just a matter of moments, you can confirm your voter registration status or start the registration process when you visit Focus on the Family's [Commit2Vote2014.com](http://Commit2Vote2014.com).

If you are registered, thank you!

**Announcement: Mike Johnson, president and chief legal counsel for Freedom Guard, who along with Kyle Duncan successfully defended in federal court LA's right to keep its traditional definition of marriage, is currently a candidate for the Louisiana House of Representatives, District 8. ## Defending the Faith - Linking Culture with Truth

### Is E. T. Going to Hell?

Mark Riser

I read an article not too long ago by Ken Ham, President of Answers in Genesis. In the article, Ham decried the amount of money that has been spent on the search for extraterrestrial life. Then, he made a statement which catapulted him into controversy, “Only descendants of Adam can be saved... To suggest that aliens could respond to the gospel is just totally wrong.”

We can agree with Ham that the search for alien life has been fruitless up to this point. But, it is necessary to say that we, as Christians, should not get into needless controversies such as whether aliens can be saved or not. Ken Ham did say that “the Bible doesn’t say whether there is or is not animal or plant life in outer space.” He should have stuck with that. To go further than that is unfounded speculation.

There was a better way.

Ham suggests that the search for extraterrestrial life is motivated by “a desperate attempt to supposedly prove evolution.” This idea may, again, be speculation, but it does point us in the right direction. Can we not put this idea to the test as the apostle Paul tells us, “but test all things. Hold on to what is good (I Thessalonians 5:21, HCSB). What does the evidence gathered so far tell us?”

According to the Jet Propulsion Laboratory, over 1,700 extrasolar planets have been confirmed. Our information about these stellar bodies is limited, although our technology continues to develop. Scientists are able to detect the size and orbit of these planets, among other details, but it is

still not known whether these planets are inhabited or not. The presence of liquid water may indicate that an exoplanet could be habitable, but we do not have the technology to make that determination. There are still a great many unknowns out there.

There are some things, however, that we do know. For advanced life to exist on an astronomical body, many qualities of that body’s environment must be in certain range of values. Among those qualities are the size and type of galaxy, the position of that body in the galaxy, the type of star the planet orbits, the planet’s axial tilt, and the presence of a large moon. The planet itself must have the right ratio of land masses to oceans, the right level of oxygen in the atmosphere, and the presence of sufficient mineral deposits in the planet’s crust. In 2004, Dr. Hugh Ross and the scientific team at Reasons to Believe calculated the probability of a planet sustaining advanced life without the intervention of divine miracles. They assert that such a possibility is one chance in 10 followed by 282 zeroes, an extremely large number with the real probability of zero. The search for extraterrestrial life has shown how unique and fine-tuned our Earth is for life. The argument that we, as Christians, can make is not whether extraterrestrials exist and can or cannot be saved. The argument is what the evidence so far shows: Earth is unique as a life sustaining body. We can also make predictions based on that idea that more qualities such as Dr. Ross pointed out will be discovered. These predictions can be put to the test.

Is E. T. going to Hell? If the Bible does not speak to the existence of life on other planets, let’s stick with that one. We shouldn’t make unsubstantiated statements that have the effect of making Christians appear foolish or appear to be anti-science. Let’s make smart arguments that utilize the evidence we have.

## Can You Answer My Question?

*In the November, 2013 issue, you featured a story about Trail Life USA.  
How’s the new organization progressing?*

Here is a press release from Trail Life to answer your question.

### **TRAIL LIFE USA RECEIVES SIGNIFICANT CAMP PROPERTY AND GIFT TO FURTHER THE LEGACY OF SOUTH CAROLINA’S CHARLES W. AIKEN**

Orlando, FL – Trail Life USA (TLUSA), the Christian character, leadership, and outdoor adventure program for boys, is the recipient of a 127-acre camp outside Greenville, SC.

In addition to the property, which contains houses, dormitories, a gym, commercial food prep facility and chapel, TLUSA was also granted an endowment sufficient to operate the facility.

“This camp property and the endowment are generous gifts that fit with our core value to remain debt averse,” said John Stemberger, Chairman of the TLUSA Board of Directors. “At the same time, it gives us a central, accessible location from which to better train youth and adult leaders in conducting our robust outdoor program.”

Trail Life USA was chosen after a national search for an organization that aligned with the values of the late Charles W. Aiken, a renowned South Carolinian who founded the camp in 1958. The camp will be called “The Charles Aiken Camp (Camp Aiken)” in memory of Mr. Aiken and his vision to “Help a boy today to help America tomorrow.”

TLUSA Chief Executive Officer Mark Hancock says they are wasting no time in utilizing the facility. “We have over 100 boys scheduled to camp

# TRAIL LIFE USA™

Adventure › Character › Leadership

there during a Camp Transition Ceremony in October. One week later we conduct an intensive training experience for those called to train others.”

Hancock continued, “This camp gift is just in time, as our growth reaches almost 500 Troops in 48 states approaching 16,000 members—all of this in less than nine months. The addition of these facilities and campgrounds in the first year greatly expands our ability to fulfill our mission to guide generations of courageous young men to honor God, lead with integrity, serve others, and experience outdoor adventure.” See more at: <http://www.trailifeusa.com>

*There are seven troops in Louisiana, including one in Monroe, West Monroe and the 71129 area of Shreveport. To connect with the local troop visit [www.TrailLifeUSA.com](http://www.TrailLifeUSA.com).*

## Executive Assistant Needed in the South of France

A Mediterranean island village in the south of France is a strategic location for Bible translation to impact the northern tier of African nations. Our partner here has an established network of relationships with Christian leaders across North Africa with the vision and access to launch Bible translation in dozens of languages in these limited-access nations. But while their vision is large, their team is small.

The leader of this expanding network is asking us to recruit an Executive Assistant to join the team in France, working closely with this leader to increase his effectiveness.

French language competency would be helpful, but can be gained on location. Experience in office management, project coordination, and staff supervision are essential. Calendar management, travel planning, word processing, and routine bookkeeping will free the executive for other priorities. Experience working with a multi-cultural team would be ideal.

If you or someone you know would be interested to know more about

this opportunity just send an email to [eopportunities@wycliffeassociates.org](mailto:eopportunities@wycliffeassociates.org) or phone Judy Yon at 1-800-THE WORD. Judy will give you more specifics about the job and connect you with the team to answer any questions you have.

Do you have the combination of abilities and availability to help advance Bible translation? We'd love to talk with you about God's preparation in your life for this opportunity.

## LET FREEDOM RING!

Kim Banks

Join the Ark-La-Tex Crisis Pregnancy Center on Tuesday, November 11th for their annual fundraising banquet at the Shreveport Convention Center. Seating begins at 6:30 p.m. The program starts at 7:00. The theme for the evening is “Freedom Protects Life.” Because this year’s event falls on Veterans Day, there will be a special pre-banquet presentation starting at 6:45 in honor of our Veterans in all branches of service.

We’re honored to have **Dr. Alveda King**, niece of Dr. Martin Luther King, Jr. as our guest speaker. Dr. King currently serves as a Pastoral Associate and Director of African-American Outreach for Priests for Life, the nation’s largest Catholic pro-life organization dedicated to ending abortion and euthanasia. She is also the author of a new book entitled *King Rules – Ten Truths for You, Your Family, and Our Nation to Prosper*. During her passionate speech she will tell of her own crisis pregnancies.

### Learn more about us and consider sponsoring a table at our banquet.

The CPC has served the community since 1994 offering free services to young women and teens, such as:

- free pregnancy testing
- limited obstetrical ultrasound
- confidential peer-to-peer counseling
- “healthy relationship” education in schools and churches
- abortion recovery groups

Another arm of the ministry is the Learning Center, offering prenatal and parenting classes to women and men who earn “points” to use in the Mom’s Mart to purchase baby items, such as: baby cribs, car seats, formula, Pampers, clothes, maternity clothes and much more.

As an outreach ministry of Jesus Christ through His church, the Learning Center embodied in its volunteers, is committed to presenting the gospel of our Lord to those we serve and is committed to assisting women and men by providing emotional support and practical assistance. As does the CPC, the Ark-La-Tex Learning Center never discriminates in providing services because of race, creed, color, national origin, age or marital status of its clients.

The CPC and Learning Center welcomes volunteers who can give us assistance in these areas:

- Peer Counseling (training provided)
- Office Workers
- Evening Receptionist
- Medical Team (training provided)
- Learning Center Teachers
- Childcare at Learning Center
- Prayer Support
- Liaison – Church/Organization
- Speaker’s Bureau
- Maintenance – Inside/Outside
- Annual Events volunteers
- Abstinence Educators.

### Table Sponsorship is available at the following levels:

\$350 BRONZE, \$750 SILVER, \$1,000 GOLD, \$2,500 PLATINUM and \$5,000 CHAMPION.

Table sponsors purchase a table for 10 in order to invite friends and family to learn more about the mission of the Crisis Pregnancy Center. Table sponsors will receive recognition at the banquet, and also an invitation to the VIP Reception to meet our guest speaker and receive a signed copy of

her book, *King Rules*.

We’re expecting 900 attendees to help us raise \$200,000. I hope you will join in helping us reach our goal. The CPC is an accredited member of Evangelical Council for Financial Accountability, better known as ECFA.

### About Dr. Alveda King

As Guardian of the King Family Legacy, she is a Minister of the Gospel of Jesus Christ, a grateful mother and grandmother. She is a former college professor, author, mentor, stage and screen actress, Georgia State Legislator and presidential appointee. [www.kingrulesbook.com](http://www.kingrulesbook.com)

- She insists Martin Luther King, Jr’s fight for civil rights is not over, because the presence of abortion shows that not all of us can enjoy that freedom for which he fought.

- Dr. King insists that her uncle was pro-life and says she is remembering the 50th anniversary of the Civil Rights Act by carrying a pro-life message across the country.

- Her fight for the vulnerable and helpless has included projects such as Pro-Life Freedom Rides and even going to the clinic of Kermit Gosnell to expose the atrocities in his “House of Horrors.”

- She responded to the Supreme Court’s unanimous decision in *McCullen v. Coakley* to strike down pro-life buffer zones, “...”I was ready to lay down and go to jail to end the buffer zone law.”

- Dr. King insists the media can no longer ignore the growing pro-life movement, “They cannot deny the hundreds of thousands in DC at the March for Life.”

- She is engaged in African-American outreach. She has sent letters to the Congressional Black Caucus, encouraging legislators to consider unborn children as part of their constituency, giving a simple, yet powerful reason for her advocacy: “Black children are in danger.”

“It has been 50 years of civil rights struggles and 395 years of oppression against blacks, and still today in the 21st century the babies are not free and the wombs of women are still endangered. Let our people go!” Dr. Alveda King
